

# ALL ACCESS ORTHO

Orthopedic care when you need it

## **e-PRESCRIBING**

All Access Ortho LLC is in the process of implementing ePrescribing in each of our offices.

ePrescribing is a federally mandated initiative that requires all physicians prescribe in this manner by 2011.

ePrescribing software sends prescriptions over the internet to your pharmacy in a safe, secure way, through the same technology used by credit card companies. This helps protect the privacy of your personal information.

The benefit to you:

- Less confusion over hand written prescriptions or unclear phone calls
- Reduced possibility of medical errors
- Less chance of adverse drug reactions
- Fewer trips to drop off at the pharmacy
- A safer, faster, easier way to get your prescription filled

### **Patient Consent**

I agree that All Access Ortho LLC may request and use my prescription medication history from other healthcare providers or third party pharmacy benefit payors for treatment purposes.
